

Dear Friends of Saint Charles Caritas, *Charity on the Border*:

We would like to say THANK YOU to **OxyHeal Health Group (OHG) employees** for their donation of these 8 butterball turkeys. The employees are: **Julie Vaickus, Dave Heaney, Mary Marsh, Alex Rullan** and **Merlyn Baker**. Every Thanksgiving, the CEO/President of the OxyHeal Health Group, **Mr. Ted Gurnee** gives turkey certificates to the OHG employees. Some of the employees wanted to give their certificates to the Saint Charles Caritas charities. Each group has its own charity to run: an orphanage, 2 homes for girls, home for the elderly, a clinic located in the dump site and a group of contemplative nuns. As you can see, the nuns were happy to receive the butterball turkeys last Nov. 16, Sunday at the patio of St. Charles, Imperial Beach. These nuns are taking care of more than 400 children, young adults and elderly. These nuns said "they are going to pray for the people who gave us these turkeys."
