Subject: Saint Charles Caritas: Valentine's Day with the Home for the elderly

Dear Friends of Saint Charles Caritas,

We were happy to serve lunch to the home for the elderly (Asilo de Ancianos) last Feb. 14, Sunday. What a wonderful day for all of us. The volunteers were: Ed Vinluan, Jack Stroh, Trevor Marsh, Mary Marsh, Blanca Mendez (our translator), Elvia Valdevieso, Mary Wilson & Elaine Rechs.

Mrs. Mary Marsh brought roses for everyone. Thanks to the Marsh family. We prepared sandwiches and served them to the elderly. We also served chicken soup, rice cake & juices. We also joined the elderly during the 9am mass in their chapel. Mostly who reside in this home are over 80 years old. Some elderly are homeless, some are abandon by families left at this home and the family have not been back and etc.

We were happy to be there! It was a blessed day for all of us to have this day serving the poor elderly at this home run by nuns.

The Caritas day will be next weekend. Feb 20 & 21 the following Friday at 5pm is the Cosco buy of food to all 6 charities from TJ all run by nuns.

I hope to see you next weekend and have a wonderful day!

Wishing you all the best,

Merlyn Baker
