Subject: Saint Charles Caritas: Project Children's Blankets

Dear Friends of Saint Charles Caritas, Charity on the Border:

Greetings to all!

Urgent appeal to all organizations and individuals!

Saint Charles Caritas "**Project Children's Blankets**" (brand new only, please) for the children in the Tijuana dump site. The goal is **500 blankets**. Each family at the dump site has 2 to 4 children. It has been cold lately and will continue to get colder and these children need blankets. The recipients are living in shack houses made of scrap materials, pallets, tires, with a dirt floor.

We would like have these children's blankets by **December 15**. Please call 428-0199 or send an email to mbaker2020@aol.com if you wish to donate these blankets or donate money for these blankets. You can drop off the brand new blankets during the office hours of St. Charles. Please let them know it is for the Caritas. THANK YOU SO MUCH!

[May you all have a wonderful THANKSGIVING WEEK with your family and friends.](#)

Sincerely yours,

Merlyn Baker
