

Dear Friends of Saint Charles Caritas:

Picture 1, upper left, the Sisters of the Sacred Heart of Jesus, community of Hospitaller Sisters in New Manila were happy to received the complete set of rosaries. I thank God for all of you who participated on this Rosary Evangelization. This is how it goes: From the donors of the beads and strings > to the Rosary Makers of St. Charles Church > to the person who ordered the "How To Pray The Rosary" > to the priest who blessed them > to the person who shipped the Rosary by boat (it takes approx. 45 days to reach Manila > to to the person who received and bring the Rosaries to the Sisters > the Sisters who transported the Rosary to the island of Palawan and distributed to the children of 11 & 12 grades attending public school. The Sisters and the children (who are poor, and the parish is also poor) are praying for all of us especially the sick on the prayer list.

The children were very happy to receive these Set of Rosaries (Rosary plus How to Pray the Rosary in a ziploc plastic bag). The children lined up to get one. The Sisters only brought 120 and the ran out of Rosaries. I will be sending 4 containers of Rosaries approx. 175 per container and in the future will be bringing more to the children so that everyone will have one.

I thank God for all of you in this Rosary Evangelization!

The collage of pictures courtesy of Alex Rullan. Thank you, Brother Alex.

Sincerely,

*Merlyn Baker*
