

Dear Friends of Saint Charles Caritas,

I'm asking God for His mercy and to take care of these viruses to stop. Thank you Lord Jesus Christ!

This has been a trying time for all of us and God is in power to all of these to take care.

Please continue to pray for the healing of cancers: Susan Guenzel, Paul Bell, Norma Seibert, Bob Novak and Alexis Cantillan. Thank you.

The last Caritas day that we had was in March and I was able to bring the Sisters of 5 charity groups at Costco after the 1pm mass for we anticipated that there will be a locked down. The Sisters were able to have food from Costco.

April and May we do not have Caritas and Tijuana Mexico is in a locked down too. Only non Mexican citizen can cross the border. There is one group that can cross and that was the Sisters of Charity, St. Teresa of Calcutta's nuns from Rosarito, Mexico. I was able to buy them food for April and yesterday for May. According to the other charity organizations, the Sisters can cross the border on May 30, Saturday. I'll be buying them food at 12 noon.

If you want to donate, please drop off your donations or mail payable to Saint Charles Caritas. Outside the envelope c/o Merlyn Baker. I will check with the church office every Thursday, if there is mail for Caritas.

Please see below the latest picture that I took yesterday. These are the 2 Sisters Basilia and Marie of Sisters of Charity in Rosarito.

Please see below charity disbursements for March and April
