

Christian Commitment to St. Charles Parish

Christ is one with His bride the Church. In order to be committed to Jesus, we must be united with His Church. Jesus came to teach, guide, and sanctify. The Church, all people baptized in Christ, continues that work. Each member commits himself or herself to the mission of spreading the Gospel to all people by active participation in the Church through prayer, weekly worship, Christian Action and financial support. We welcome you to our Faith community of St. Charles Parish!

Financial Support

Jesus redeemed the whole world, uniting the spiritual with the material world. The Church needs to share its financial resources in order to spread the Gospel. St. Paul tells us that we must search our heart and speak with God in knowing how much He asks of us.

At St. Charles Parish we suggest a beginning commitment of at least \$1.00 a day for the Lord, or \$7.00/week per family with a goal of working up to 5% of net income. I (we) pledge to contribute \$_____ each week in my parish contribution envelope.
