

Dear Friends of Saint Charles Caritas,

Thank you Lord Jesus Christ for taking care of us!

Feed the Children #6, August 1, Saturday was in another squatter area in Samada South East, Paliparan. 110 plus children were served elbow macaroni soup and 87 children received the slippers from this area. We thanked teacher Norllina Gane for her leadership and volunteers. The volunteers had to carry everything going to the area where supposed to be easier to give the food and slippers. Mrs. Gane had to select a place where the volunteers can settled in the pot of food and slippers in front of someone's house. Thank you to anonymous donor who sponsored Feed the Children t-shirts so that the volunteers can have uniforms. The volunteers also live in the same area as the children. Before and after the giving of food Mrs. Gane cooked for the volunteers breakfast early at 4am to start preparing and cooking the soup and lunch for the volunteers afterwards.

I would like to thank all the donors who earmarked their donations for this cause. **This charity is striving because of you. I thanked God for you.** I would like also to thank the Franciscan Sisters of the Atonement through Sister Babylyn, with her helped, Saint Charles Caritas abled to reach the Phase 5 squatter area to Feed the Children. There are many, many more children who lives in Paliparan squatter areas from Phase 1 to 5. Saint Charles Caritas will concentrate in Phase 5.

Sincerely,

Merlyn Baker
