

Dear Friends of Saint Charles Caritas,

**God is kind and merciful! Thank you Lord Jesus Christ!**

**Saturday, September 12** was the **Feed the Children #12 in Phase 5, North**. 180 bags of spaghetti distributed to the children. Prayers was first recited, thanking God and donors. Mrs. Norly Gane had to select a place where it was paved and easier to distribute the food. Soon, another 200 of slippers to be purchased will be given to children without one, and face masks as soon as it will arrive, perhaps next week. I thanked Mrs. Gane and volunteers for cooking and serving (from 2am start cooking to 8:25am finished serving), at least once a week in 4 different squatter areas in Phase 5. All were volunteers. The volunteers had to carry the pot of spaghetti a long way to reach the destination. **Picture 2 (middle), the children bowed their heads for prayers.**  
**Thank you God you are awesome!**

Thank you to all of you!
