- **Thank you letter/receipts from January 2020 to December 31, 2020 will be mailed to all the donors on the last week of December 2020. Only check donations more than \$30 will receive one receipt/thank you letter. Before, I usually send these receipts monthly but because of the pandemic, things changed a little for this year. But next year I hope we will be back to normal Caritas with 10 nuns, many volunteers and happy again!**

**Pictures 1 & 4**, teacher Norly Gane received boxes of food, rosaries and several hundreds of face masks (majority were pasta and sauce & etc) sent last month. **Pictures 2 & 3**, the mask makers: Ms. Dalene Garcia and Mrs. Melissa Odermatt. Thank you. **Pictures 5 & 6**, St. Brigitte, Sister Christina received dry food from the Caritas garage and Oct 1, received food bought at Costco from Caritas. The St. Brigitte in TJ, Mexico has 27 Sisters (semi contemplative with sisters formation). The Sisters support themselves by selling cookies before but since Covid-19, churches are not fully open for this type of activity. So, the Sisters advertise their food items that they make via face book. I will be advertising what sisters make and sell via email. They make tamales, galletas, salsa, chiles, rompope and etc. I'm waiting for sisters flyer so that I can send that to you and you can order these food items. The Sisters can be at the parking basketball area of St. Charles Church to pick up your orders. Please support the sisters.

Thank you to all of you and God bless you.
