

Dear Friends of Saint Charles Caritas,

God is showing us His path to help the poor people! Thank you Lord Jesus Christ!

On May 31 2021, in honor of the Blessed Mother Mary, the Sacred Heart of Jesus from Quezon City and Pasig distributed rosaries and packs of pasta for the poor children. The sisters visited other houses and park their vehicle in one of the division within in the barangay. The government officials reminding them about social distancing. These Laguna families were relocated from flood area of Pasig river in Manila to Calauan Laguna. They have 16 sisters and next week the sisters will continue to distribute pasta in honor of the feast of the Sacred Heart of Jesus. The sisters were very thankful for helping them help the poor.

Please see a collage during the Sisters of the Sacred Heart of Jesus distribution of food and rosaries. The sisters received a total of 5 boxes

June 6, 2021, Sunday was the Teach the Children How to Pray the Rosary week 33. 55 children attended and 8 volunteers. 5 new children joined the prayer class. It

was overcast but thank God it did not rain. The 2 teachers Regina Tesorero and Analiza Yauna fetched the children at their houses. We thanked God for these 2 ladies their initiative and volunteerism for this program. Opening prayers done by teacher Regina and food blessing by James. Teacher Regina mentioned God 56 times in their prayers thanking the sponsors from Saint Charles Caritas, donors, officers, parents, children and asking God to end the pandemic and many more. The teachers gave 22 snack bar chocolates for those children wearing faces masks and face shields. The class still cannot have a normal sit down class because of quarantine protocol. So it was short class instead of 4 hours they did only 1 1/2 singing the 5 songs plus added new English version of Salvation song in action. We were smiling and somewhat jerked up our hearts (for us who had seen the Whatsapp videos) because the children's movements were contagious. Each prayer songs were lead by a child. Another teacher volunteer and her name is Funny, a math teacher from catholic school. She asked the children regarding mathematics and those who were in school answered well. The food served was egg noodle soup and kool-aid and for the volunteers palabok and pancakes. The children's assignment was to pray at home. Thank you to all the core of volunteers and God bless you all!

Please see 2 collages. Collage 1, the children. Collage 2, the food preparation. **If you want to see the videos children singing with actions, please send me your Whatsapp name and cell #.**

The children singing the prayers were twice the conversation with God. And God heard their songs of prayer!

The children observed the protocol of distancing with face masks and some had the face shields (received a snack bars). Teach Aniliza Yauna lead the prayer. Ms. Analiza thanked the charity, teachers, volunteers, those who were sick and many more. The children sang 6 prayers: Our Father, Hail Mary, Glory Be to the Father, Awit Nang Inang Rosario, Salvation Song both in English and Tagalog. KiJames blessed the food before serving. God is merciful and kind especially to His children. Thank you Lord Jesus Christ!

There was no prayer class last Sunday because majority of the volunteers were coughing. So the class was canceled.

June 27, Sunday was the Teach the Children How to Pray. 48 children attended including the 19 new children attendees and 6 volunteers assisted the 2 teachers: Regina Tesorero and Analiza Yauna.

This time the chairs were out and the children were glad to sit down praying and learning the rosary. Each children got the rosary. The opening prayer was led by Ms. Regina and the blessing of the food by Tyrone, an 8 year old child. Many prayers were said to thank God, the sponsors, parents and asking God for the healing of their flu and many more prayers. It has been so warm then rain in Paliparan. The 2 teachers did a recap of the proper sign of the cross, the 4 Mysteries of the Rosary. It was the children leading the Glorious Mystery and each decade lead by one child and the rest of the children will answer the prayers. **I hope you have your Whats App to share with me so that I can send you the videos of the children.** They sang the 2 songs the Salvation Song and Awit nang Inang Santo Rosario.
