Rosary Session Report December 12, 2021

We started at exactly :9:30 am

There was an event at court before we started our session and we only asked for a few moments just to pray and distribute the foods. And we also observed that the weather was also overcast.

placed the chairs in not so spacious place in the courtyard and so we cannot control the social distancing. But still we strictly reminded the children about the safety protocols: Wear face masks and face shields all the time and social distancing.

The opening prayer was led by Teacher Analiza

'Provided some words of God.

Asked leaders to go In front to help us in distribution of foods. While teacher Regina did multitasking of taking pictures while I called each children to get the food (Cherelyn, Rachel and .Florimae)
