A note for special project: The Franciscan Sisters of the Atonement in Assisi, Italy has now received the delivery of the washing machine and the coin operated equipment for the pilgrims. The Sisters are now waiting for the technician to install these 2 equipment. After washing your clothes, you still need to hang your laundered clothes in between the olive trees with strings. We will have the picture(s) as soon as the washing machine/coin operated equipment are installed.

If you are vacationing in Rome, you must see Assisi, historical treasure of Italy. The bed and breakfast of St. Anthony's Guest House is run by the Franciscan Sisters of the Atonement, (you can email to atoneasisi@tiscali.it) is very close to the Basilica of St. Francis, Basilica of St. Clare, San Rufino Cathedral (where both St. Francis, St. Clare and St. Agnes were baptized), The parents house of St. Francis is just a walking distance and St. Clare former house is now attached to San Rufino Cathedral. Down the valley is the Basilica of St. Mary Angels where St. Francis died, San Damiano where St. Clare stayed and died and many more historical sites back in 11th and 12th centuries. Find out and see the historical

museum why Assisi was spared in the bombing during World War II. To see all of these, you must stay at least a week. A lot of pilgrims came back again and again in Assisi. It's a journey that you may personally feel and understand. Many pilgrims, field trips by children from many towns and countries seek to see Assisi. This amazing, serene and heavenly place is just 2 hours by train from Rome.

A glorious Easter to All! Thank you Lord Jesus Christ!

Please see report from the two teachers Anailza Yauna and Regina Tesorero last Sunday, April 17. Thank you to all other volunteers! God bless you and the children. These children have been looking forward weekly to have the rosary session, although it was Wednesday still. The children approached the teachers if it is going to church (class) yet. The children think that they are going to church. The area where they have the rosary prayer is a half court with roof, but when it rains the sides splashes with rain and the floor needs to be refurbished from the barangay and mayor. there. I'm praying and hope that some of these children will become nuns and priests someday from this ministry of Saint Charles Caritas. It is in **God's Will Be Done!** Please see report and 2 collages for the ministry activities.
