Prince's Update as of

8/31/2022

Have a Blessed day everyone 🙏 Prince Yuan Altesin is doing great and fine these past few months since he starts going to school this year August 2022 in Pintong Gubat Elementary School as Kindergarten. His schedule is every Monday and Tuesday but for the meantime he did not attend the school because of his condition and his parents already discussed it with his teacher and they are all good and agree that he will do modular lessons for the time being, Prince is very happy going to school even though he has heart problem. It did not stop him to take classes with his classmates and getting stars for being a good and behave student.

We always make sure that he takes his maintenance regularly. Prince is still attending Rosary session every Sunday.

Again, thank you for your support and prayers, May God fill your heart with peace and love. God bless and stay safe. He is eating his food supply (donated). Thank you for your prayers and kindness. We really appreciate it.

Prince parents always monitor his medication, healthy foods and activities.

We are also looking forward in November 2022 which is his follow up check up in Philippine Heart Center - Manila

Again, thank you for your support and prayers, May God fill your heart with peace and love. God bless and stay safe.

There is nothing more rewarding than to work for God. Thank you Lord Jesus Christ for your mercy, love and kindness.

Please see below the Rosary Evangelization to the Philippine Islands. These 9 containers will be majority sent to Sister Magnolia of Hospitaller Sisters of the Sacred Heart of Jesus. Hundreds of rosaries will go to Siargao Island and 1 container of set of rosaries and sports' materials to Fr. Jeephy (Canossian Sons of Charity) to be used by the childrens' catechism and seminarians. The rosaries made by the Rosary Makers of St. Charles Church.
