"Dear Saint Charles Caritas,

"Peace and warm greetings from the **Calabrian Children's Foundation, Inc.**, Cagayan de Oro, Philippines.

With heartfelt gratitude, we are pleased to present our **Weekly Activity Report** covering **July 6–12, 2026**. This report highlights the meaningful experiences and daily activities that contributed to the children's continued growth and holistic development throughout the week.

As the children continued with School Year 2026–2027, they became more engaged in their school activities and increasingly familiar with their daily routines, particularly in completing their homework and academic responsibilities. They demonstrated greater independence, strengthened their study habits, and actively participated in classroom activities. It has been encouraging to witness their growing confidence, responsibility, and enthusiasm for learning as they continue to progress in their educational journey.

Throughout the week, the children participated in the following activities:

- Attending Holy Mass
- Daily Prayers and Spiritual Reflections
- Household Chores
- Karate Training

Haircuts for the Boys
Tutorial Sessions
Mosaic Art Activity for the Girls
Values Formation
Recreational Activities

These activities complemented the children's academic development by promoting balance, responsibility, and personal growth. Their participation in household chores fostered teamwork, accountability, and independence, while their spiritual activities strengthened their faith and deepened their appreciation of Christian values. Karate training also helped develop self-discipline, physical fitness, and self-confidence.

We also ensured that the children received nutritious and satisfying meals throughout the week. Among the meals served were:

Breakfast: Hot Chocolate
Lunch: Chicken Adobo
Lunch: Fried Chicken
Special Lunch with Baker and Sr. Babylyn: Jollibee
Dinner: Pasta

Beyond providing nourishment, these shared meals fostered fellowship, gratitude, and meaningful family-like interactions among the children and staff, further strengthening the caring and supportive atmosphere within the Foundation.

As we reflect on the week's activities, we remain grateful to witness the children's continued progress in their education, faith, and personal development. Their commitment to their studies, active participation in daily routines, and willingness to learn and grow continue to inspire us. These experiences reaffirm our commitment to providing a safe, loving, and faith-centered environment where every child is encouraged to reach their fullest potential.

We extend our deepest appreciation for your unwavering generosity, kindness, and continued partnership. Your support enables us to provide for the children's daily needs while creating opportunities that nurture their education, well-being, and holistic development.

On behalf of everyone at the Calabrian Children's Foundation, Inc.—especially the children whose lives you continue to transform—we sincerely thank you for your enduring compassion and generosity. Your faithful support brings hope, inspires dreams, and helps create brighter futures for every child entrusted to our care.

With sincere gratitude,

Respectfully yours,

Shela Dela Torre
